A customer in the Electrical Department wants to find the Ladies' Restrooms. Your task is to give her instructions so that she can find the Restrooms quickly and easily.

- Mark the spot on the floor plan where the customer is standing in the Electrical Department.
- Now mark a spot on the Ladies’ Restrooms.
- Draw in the route from one spot to the other spot.
- On the lines below, write clear and concise instructions to direct the customer from the Electrical Department to the Ladies’ Restrooms.

Keep this in your Task Folder.
